# *It's My View*

A collection of readers' favorite  
"Viewpoint" columns from *GEORGIA Magazine*

**More than 100  
of Paul Wood's top "Viewpoint"  
columns in a 6-by-9-inch hardcover  
book of 200-plus pages!**

**Georgia author Terry Kay says, "There's more to the words Paul Wood has fashioned than syntax and syllables. Paul is there also. Paul, the person. Paul, the embodiment of a man who believes there's a bedrock of hope and an unshakable possibility for good things to find their way to the surface of an everyday world jittery with uncertainty."**
